

Crystal CLASSICS™

FEATURING THE NEW 48oz BOWLS

FULL-LINE FAMILY

The New CP8500 Series low-profile bowls are available in 24, 32 or 48oz and will easily replace 9" salad bowls of any material, at a value price. These complement the existing line of deep 7" bowls and lids, also available in 24 or 32 oz capacities.

RICH FEATURES

Large tabs, with a textured surface, on both bowl and lid, provide for easy removal by the consumer. An interlocking feature on both the bowl and lid assures positive stacking on display or in the bag. 24 oz available as a combo pack and the 48 oz available as either a clear or black bowl.

DURABLE & RECYCLABLE

Bowl and lid have excellent structural strength and resist cracking. They stand up to cold temperatures and won't break, even if dropped. Made of recyclable #1 PETE, preferred for recycling nationwide.

PRESENTATION

With crystal clear PETE lids, Crystal Classics bowls offer a showcase for perfect merchandising.

LEAK RESISTANCE

With an inner/ outer double seal, the lid not only applies easily, but is virtually leakproof.

ECONOMICAL

Crystal Classics are surprisingly affordable, considering their high quality and rich features.
