

Great Bowls of Fire!

HEAT-TOLERANT TO 230°F

These bowls perform well under heat lamps, in warming units and in hot boxes.

CONSUMER REUSABLE & RECYCLABLE

Consumers can **REUSE** the container again and again as it is microwave-safe and dishwasher-safe. After months of reusing, the consumer can **RECYCLE** the  polypropylene container.

STACK 'EM

Specially designed stack features in both bowl and lid. Stack and pack up to 3 high in a takeout bag for the consumer's trip home.

LEAK-RESISTANT

Matching vented, secure fitting lids make them leak-resistant.

EXCELLENT VISIBILITY & ORDER ACCURACY

Black bases and clear, vented, anti-fogging lids provide just what your customer wants to see – your culinary creations.

Anchor products are BPA-free.
