This map illustrates service schedules in business days as of February, 2006 for FedEx Ground shipments

Please note:

For FedEx Ground, a business day does not include Saturdays, Sundays, or holidays.

Example: You ship a package on Monday that takes 2 business days to arrive. You do not count the day you ship as a business day, so your package would arrive on Wednesday, the second business day after the ship date.

The map above is a general representation of transit times, for a specific ZIP/Postal code to ZIP/Postal code transit time, please use the Get Transit Time application under the Ship tab on fedex.com.
