

## Award Winning Innovation

Recognition of a long history of award-winning innovation. For over 50 years, Anchor Packaging has supplied the industry with innovative consumer package solutions. We continue to expand our knowledge, designs and operational base to create and deliver the answers to tomorrow's packaging challenges.

### 2024 CStore Decisions Hot New Product Award

#### Culinary Tamper Safe™ Containers

Anchor Packaging's industry-leading Culinary series has won again. Culinary Tamper Safe™, the newest extension to this award-winning line, won Gold in C-Store Decision's 2024 Hot New Products packaging category. Its innovative design provides tamper-secure protection for hot-to-go foods without a tear strip, helping retailers grow foodservice sales without waste. Past Times Marketing, a New York-based consumer research and product-testing firm, supervised and tallied judging.

### 2023 CStore Decisions' Hot New Products Award

#### Anchorware® Reusable Containers

CStore Decisions received numerous entries across dozens of categories. A panel of retailer experts judged this year's entries. Winners were determined using a point system that examined key factors for success, including innovation, packaging, and more. New products and services are defined as having launched in 2023.

## 2023 Convenience Store News Best New Product Award

### Anchorware® Reusable Containers

The Best New Products Awards program judges awarded 33 innovative new products introduced in the convenience channel in the past year. Judges evaluated entries on various criteria, including value and convenience, seeking innovations that best meet the needs of today's consumers. Products brought to the market between May 31, 2022, and June 1, 2023, were eligible for entry. Past Times Marketing, a New York-based consumer research and product-testing firm, supervised and tallied judging.
