

Crisp Food Technologies® CF1900L

**11" x 8.5" Oval Lid Microwavable Clear
Anti-Fog Fits CF1948, CF1942**

Clear polypropylene dome lid fits the 1-compartment CF1948 and 2-compartment CF1940-2 oval bases. The Crisp Food Technologies® Containers and Lids use an exclusive, convection cross-flow technology design to relieve moisture and condensation while maintaining product temperature. Through-the-closure ventilation, along with raised airflow channels in the base of the container, combined with venting in the anti-fog lid, ensure that fried foods remain crispy. The unique design of this packaging system retains internal temperatures better than other rigid containers currently in use for fried foods. These lids and containers are designed to withstand temperatures to 230°F in warming unit displays, under heat lamps, and in the microwave.

Independent, side-by-side tests at several leading retailers and restaurant chains demonstrate that the Crisp Food Technologies® Containers preserved the temperature and texture of fried foods longer than competitive materials during 30-minute delivery. It also outperformed the other fried chicken containers in the Supermarket Deli hot case: Better texture, better temperature retention, better tasting fried foods. The package holds hamburgers and fries, several pieces of fried chicken, as well a variety of other fried food items. Made of polypropylene (#5PP), and is microwave-safe, dishwasher-safe, consumer reusable, and eligible for recycling.

Specifications

SKU	4331900
Product Number	CF1900L
UPC Code	72184443171 2
GTIN-14 Code	00 72184443171 2
Case Pack	380
Case Weight	24.05 lbs / 10.9kg
Case Dimensions	22.993" x 17.868" x 24.487" / 58.4cm x 45.38cm x 62.2cm
Case Cube	5.82 ft3 / 0.16m3
Case Layer	4
Case High	4
Case Pallet	16

Product Details

Product Dimensions	10.70" x 8.40" x 1.79" / 27.18cm x 21.34cm x 4.55cm
Application/Temperature	Cold Foods Refrigerated Foods Hot Foods Heat Lamps Microwavable Warming Units
Material	PP-Polypropylene #5 PP
Sustainability	Consumer Re-usable, Eligible for Recycling
