## PRODUCT DESCRIPTION

Intuitive one-step **Pinch To Open** package design preferred by consumers. **Audible break** while pinching confirms the package is opening and the hinge becomes **easy opening tabs**. Visible separation of the **hinge signals tampering** and the warning message alerts the consumer and staff to look for the raised tab. **No loose pieces** from tear strips in other brands and **no cracking or sharp edges** to cut fingers. The quick four corner audible snap closure is easy to close by hand or on automated equipment. The leak-resistant, re-closable design maintains freshness. These versatile, totally clear packages merchandise any number of food applications from dried fruit, nuts, snack mixes, and candy to fresh baked goods, salads, cut fruit, sandwiches, and sides. Large windows with minimal ribbing offer maximum food visibility. These one-piece, hinged packages are made with FDA approved recycled PETE and are recyclable curbside
