

# Less is More

**“LESS food = MORE profit”**

## These little bowls mean big business for you

**Petite Portions in a Variety of Shapes and Sizes.** More than a dozen options in round and square, in 5oz, 8oz, 10oz, 12oz, 14oz, and 16oz sizes, with attractive black bases that make your small portion food presentations look fresh and appealing. Larger sizes also available.

**Hot or Cold, One Piece or Two with Table Ready Presentations.** Choose a package for cold foods or one to fill with hot food and hold for pick-up under heat lamps (up to 230°F) or for re-heat in microwave; all packages are ready for the table. New, tear-away lids on one-piece, hinged packages lock in neatly under the base keeping them out of the way but ready for left-overs.

**Easy Close Lids Keep Operation Running Smoothly.** Designed to make filling fast and efficient while keeping food secure during transport and the opening tabs are a consumer favorite. Many products offer anti-fog lids for hot or cold foods, keeping food visible and avoiding costly errors.

**No “Small” Order for the Environment.** Reduce waste with cold application packages made of the most recycled plastic nationwide; ♻️ PET. Hot food containers are made of durable, cut resistant ♻️ Polypropylene that is consumer-reusable, dishwasher-safe and eligible for recycling after numerous uses.
