

The Price is Right

For Increased Sales of Sides, Snacks, Small Meals

Attract more customers with the latest in packaging performance at a price you won't believe. Refresh your display of cold ready-to-eat and ready-to-reheat entrees and sides then watch your profits grow.

- Food looks fresh and appealing in upscale PP alternative to foam and paper packages
- Perfect for hot foods up to 230°F; works well under heat lamps and in microwave
- Cold applications look great; one package for hot and cold minimizes inventory cost
- Attractive 16oz polypropylene black base is table-ready or easy to eat on the go
- Made with renewable mineral additives reducing use of petroleum based resin
- Clear, anti-fog, polypropylene lid keeps food visible driving impulse sales
- Leak resistant closure keeps lids secure and prevents messy spills

Versatile grab 'n go package solution fills the demand for snacks, finger foods, side dishes, and small portion meal solutions.
