Customers can tear-off the perforated hinged lid to enjoy the meal.

Anti-fog Lids

Maintains clarity to keep food appealing while avoiding order error.

Introducing the New Tear-Away Lid on Culinary Classics® Hinged Containers

- **Great Value** – Table ready presentation in a package that lets your customer know takeout is as good as on-premise dining
- **Leak Resistant and Stackable** – Secure seal keeps food fresh and stack design prevents messy spills while preserving food appearance
- **Vented Lids** – Release steam pressure (even when stacked) to keep lids in place and maintain food textures
- **Microwave Safe** – Withstands temperatures up to 230°F for use under heat lamps and in warming units
- **One-Piece Hinged** – Keeps operation running smoothly with consumer-convenient convertible lid

Made from durable, cut resistant polypropylene ♻️ Dishwasher safe & eligible for recycling after repeated use.
