

# INTRODUCING

## THE NEW M616 CONTAINER

### PERFECT SIZE FOR SMALLER PORTIONS

Food looks fresh and appealing in this versatile 16oz. container. Small entrees, salads, sides and snacks fit perfectly in this upscale alternative to foam or paper packages.

### HOT & COLD FOODS

Perfect for hot foods up to 230°F and works well under heat lamps and in the microwave. Cold applications look great and one package for hot and cold minimizes inventory cost.

### PERFORMANCE AT THE RIGHT PRICE

Strong and durable black base provides a table-ready presentation with cut resistant material. From refrigerator or freezer to the microwave to the table – no need to re-plate.

### VISIBILITY DRIVES SALES

Clear, anti-fog, polypropylene lid keeps food visible to increase sales from grab 'n go displays and avoid errors in restaurant take-out orders.

### LEAK RESISTANCE

Closure design keeps lids secure during handling and transport with leak resistance to prevent messy spills.

### REDUCE, REUSE, RECYCLE

Container made with renewable mineral additives reducing use of petroleum based polypropylene resin up to 40%. Package is dishwasher safe providing consumer convenient reusability and is eligible for recycling. ♻️
