

SAFETY DATA SHEET

The product referenced in the SDS documents is a consumer product. Under OSHA regulations, this product is considered an "article" and is not subject to OSHA hazard communication standard SDS requirements for hazardous chemicals in the workplace. This product is also considered an "article" under the Global Harmonized System and exempt from the GHS labeling and SDS classification criteria.

Section 1

Product and Company Identification

Product Name: Rigid PET-RPET Containers & Lids

Synonym: N/A

Manufacturer: Anchor Packaging
13515 Barrett Parkway Drive
Ballwin, MO 63021

Formula: Trade Secret

Division: Polyethylene terephthalate

Date Prepared: August 12, 2008

Date Revised: March 29, 2019

Section 2

Hazard Identification

Classification: Not Applicable

Pictograms: Not Applicable

Signal Word: Not Applicable

Hazard Phrases: Not Applicable

Precautionary Statements: Not Applicable

Hazards Not Otherwise Classified: Not Applicable

Section 3

Composition

This product contains no components at concentrations that are considered to be hazardous to health.

Section 4

First-aid Measures

Eyes:	If heated material gets into eyes, flush immediately with fresh water for 15 minutes while holding eyelids open. Remove contact lenses if worn. Seek immediate medical attention.
Skin:	If hot material gets onto skin, quickly cool in water. See physician for extensive burns.
Ingestion:	Ingestion is an unlikely route of exposure under normal industrial conditions. If appreciable quantities of this product are accidentally swallowed, seek medical attention.
Inhalation:	If breathing difficulties develop, move affected person away from source of exposure into fresh air. Seek medical attention.

Section 5

Fire-fighting measures

Flammable Limits in Air (% by Volume):	Unknown
Flash Point:	Not Applicable
Extinguishing Media:	Water, Dry Chemical, Carbon Dioxide
Fire Fighting Instructions:	Use self-contained breathing apparatus and protective clothing
Fire and Explosion Hazards:	Carbon Dioxide, Carbon Monoxide

Section 6

Accidental release measures

Accidental Release Measures:	Sweep spilled material into a disposable container. If spilled material is molten, allow it to cool and solidify before proceeding with disposal methods.
Personal Precautions:	Allow heated material to cool prior to cleanup.
Environmental Precautions:	Avoid contaminating soil or releasing this material into sewage and drainage systems and bodies of water.
Methods for Cleanup:	No special methods identified.
Spill:	Spilled material may create a slip hazard.

Section 7

Handling and storage

Handling:	Avoid contact with melted materials
Storage:	Store in cool dry, well ventilated area away from sources of extreme heat or fire.

Section 8

Exposure controls/Personal protection

Ventilation Requirements:	Provide adequate ventilation or local exhaust to remove fumes when performing high-temperature process such as heat sealing or hot-wire cutting.
Eye/Face Protection:	Wear eye/face protection appropriate for hazard.
Skin Protection:	Wear suitable gloves during processing.
Respiratory Protection:	If smoke or fumes are generated during processing, use adequate ventilation or wear appropriate approved respiratory protection (not normally required).
Work Hygienic Practice:	Avoid direct contact with heated material.

Section 9

Physical and chemical properties

Appearance:	Clear and odorless
Flash Point:	Not applicable, combustible solid
Physical State:	Solid
Thermal Decomposition Temperature	Thermal stability not tested. Low stability hazard expected at normal operating temperatures
Softening Point:	Varies with product
Solubility in Water:	Negligible

Section 10

Stability and reactivity

Stability:	Not fully evaluated. Containers/lids containing similar structure groups are normally stable.
Incompatibility with Other Materials:	Material reacts with strong oxidizing agents
Hazardous Polymerization:	Will not occur.

Section 11

Toxicological information

No data available.

Section 12

Ecological information

No data available.

Section 13**Disposal Considerations**

Dispose in accordance with all federal, state and local regulations.

Section 14**Transportation information**

This product is not a regulated substance under the Department of Transportation (DOT) regulations.

Section 15**Regulatory information**

This product contains no chemicals subject to the reporting requirements of SARA Title III, Section 302.

This product does not contain chemical components that exceed threshold reporting levels established by SARA Title II, Section 313.

This product is not known to contain any components subject to the disclosure requirements of Massachusetts, Pennsylvania, New Jersey and California.

Section 16**Other information**

HMIS HAZARD RATINGS:

HEALTH – 1

FLAMMABILITY – 1

CHEMICAL REACTIVITY - 0

As the conditions of methods of use are beyond our control, we do not assume any responsibility and expressly disclaim any liability for any use of this material. Information contained herein is believed to be true and accurate but all our suggestions are made without warranty, express or implied, regarding accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable Federal, State and Local laws and regulations remains the responsibility of the user.
