**Subject: Certificate of Compliance for Aluminum Food Service Products-Phthalates and PFAS**

This letter is in response to your request for more information regarding the use of Phthalates and PFAS in our products. Please be advised that Anchor Packaging Food Service Products do not contain intentionally introduced amounts of phthalates or PFAS and pass the standard of less than 100 parts per million.

Anchor Packaging relies on literature from our suppliers to guarantee compliance of our products, based on the documentation of our suppliers, our foodservice products do not contain phthalates or PFAS.

If you have any questions please feel free to contact me.
