Subject: FDA Compliance for Aluminum Foil Sheet

Date: January 4, 2023

Anchor Packaging guarantees that the Aluminum Foil Sheet, which it sells for use in food packaging, complies with all food regulations, including the following Title 21, Code of Federal Regulations:

- 175 Indirect Food Additives: Adhesives and Components of Coatings.
- 175.300 Resinous and Polymeric Coatings
- 176 Indirect Food Additives: Paper and Paperboard Components
- 176.170 Components of paper and paperboard in contact with aqueous and fatty foods
- 176.180 Components of paper and paperboard in contact with dry food

This section represents the official sanction of these products by the U.S. Food and Drug Administration for use in food contact applications, such as packaging.

Anchor Packaging is a distributor of Aluminum Foil products and induces no changes that would affect compliance with the indicated regulations.

Anchor relies on good faith with its suppliers and guarantees compliance of the products as described above up to the time the products are shipped. Thereafter, it is the responsibility of the customer to assure that all applicable conditions and specifications outlined under the above-mentioned regulatory categories are maintained.
